Dear Audience Member,

Thank you for your support of Campolindo's performing arts and the 150 students who were a part of this *Titanic* production, including actors, singers, orchestra members, and the tech crew. The kids put together a fantastic show. At the time of last October's auditions, no one could have foreseen the impact the Coronavirus would ultimately have on the *Titanic* performances this weekend.

In addition to being a well anticipated annual event, the Campo musical serves as a fundraiser for the high school choral program. Proceeds help to fund the needs of Campo's distinguished choral program throughout the following school year. Having to cancel four shows will significantly impact the bottom line of this fundraiser.

Thank you to the many ticket holders who have already requested that their tickets be transitioned to a Campo Choral Fund donation. We are so grateful for your support. You will be receiving letters that reflect your donations later this week. If you haven't yet indicated your choice to transition your tickets to a donation, I hope you will consider doing so.

Lastly, if your employer matches your donations, I hope you will consider requesting funds to match your ticket donation once you receive Campo Choral Fund's donation letter. Every effort to maximize the musical's benefit to the choral program despite this past weekend's cancellation would be greatly appreciated.

Thank you again for your support. Be well.

Sincerely,

Kristin Cortright
Campolindo Choral Fund President
