Dear Friends and Families,

The **Campolindo Choral Fund** and the **Choral Music Department** invite you to become an active supporter of the arts in our community. Your tax-deductible donation is essential to continue the high standard of choral education that has been established at Campolindo. The Choral Fund, now in its 38th year, continues to support the choir's growing enrollment, enriching the experiences of our students and audiences. The goal of the Choral Fund is to bridge the funding gap and subsidize the choral program, including staffing of choral and piano accompanists, sheet music, equipment maintenance and scholarship needs. We need your help!

The choral program benefits most when all families contribute. The annual family donation begins at \$75. Our hope is that those families who are able will consider participating at one of our other donor levels. Our goal is 100% participation, and any donation is greatly appreciated. Thank you in advance for ensuring the continued growth of our students and Campolindo's outstanding choral program.

Sincerely,

Campolindo Choral Fund Board, 2021-2022

Jeanine Gentry, Rachel Erickson, Jennie Lee, Fred Stambaugh, Kim Wendt, Matt Vanhouten, John Lopez, Heather Davis, Christie Lenihan and Kitty Stephens
